www.PlaqueminesParishFestival.com

The Plaquemines Parish Seafood Festival is preparing for the 19th year celebrating our seafood industry. The festival will be held April 28-30, 2023 and we would appreciate your support for this great event with a sponsorship. The festival is a 501(c)3 Corporation, so all donations are tax deductible. For the past 18 years, the Seafood Festival has contributed its proceeds to local charities, youth development groups, PAWS, Medal of Honor Park, and local schools, churches and medical facilities. We hope you will consider helping us in this endeavor and enjoy the festivities.

With Plaquemines Parish home to the largest commercial fishing fleet in the lower 48 states, we are privileged to offer an abundance of shrimp, oysters, crab and fish. Seafood Fest vendors charbroil, boil, fry, sauté, stuff, bake, barbeque, and serve this fine, fresh local seafood in etouffee, gumbo, jambalaya, pasta and in ways only local folks know how.

Our event provides continuous live entertainment as well as unique Craft Items, Carnival Rides, Oyster Drop, 5K Run/Walk and more!

Please take advantage of this opportunity to partner with the Seafood Festival in its effort to support local charities, promote Plaquemines Parish and your business, all while experiencing our delicious seafood, our great heritage and our proud people.

Our sponsorship levels are noted on the enclosed application. Please send your donation along with your preference of desired sponsorship by **April 7th**. If you need additional festival or sponsorship information, please call me at 504-237-0663.

Thank you,

Dondra Kientz
